

# NEXT VISION FUEL

If you can **SEE** it, you can achieve it.

## *Lesson Goal*

Sharing your vision with others is like pouring fuel into the engine that powers your dreams; without this element, the vehicle will remain stationary.

## VISION IN 3D

1. **Destination:** A clear vision determines our destination - it defines the desired "place" we aim to reach in the future.
2. **Direction:** With a clear destination in mind, we can chart our course and lay out the necessary directions to get there.
3. **Duration:** Additionally, we establish a duration - a set amount of time or deadline - within which we aim to accomplish our goals.

*"Take vision away from a leader and you cut out his or her heart."  
-Bill Hybels*

**Vision is the invisible fuel** that drives leaders, ignites the passion of followers, and creates lasting impact.

**STEP #1****SEE THE VISION**

*"Do not fear, for those who are with us are more than those who are with them."*  
| **2 Kings 6:16**

**LOOK**

God told Abraham to:

*"Look up at the heavens and count the stars—if indeed you can count them."* | **Genesis 15**

**IMAGINE**

To *'form a mental image of'* (something not actually present to the senses).

I want you to develop a mental image of new possibilities. I want you to see the vision because SEEING IS BELIEVING.

As it relates to my church **THIS IS WHAT I SEE:** \_\_\_\_\_

A vision must be specific because it is the **compass** that guides us towards our goals.

## STEP #2 SHARE THE VISION

*"When he (Gehazi) looked up, he saw that the hillside around Elisha was filled with horses and chariots of fire." | 2 Kings 6:17b*

In these ways I will share my vision with others: \_\_\_\_\_

# MODELING VERSES TRAINING

Jesus painted a picture for the future:

*"You will be my witnesses...to the ends of the earth."* | **Acts 1:8**

## FUEL

Have you ever had a vision or dream that was so compelling it kept you up all night thinking about it? Have you dreamed of creating something unique and special, perhaps even changing the world in some small way?

**You fuel that vision by SHARING it with others!**

*"People will sacrificially contribute to a vision that carries the marks of God's involvement." – Andy Stanley*

## ASSIGNMENT

Your clay project is due by next week. Size and structure matter not, let it be a creation of your own and bring it back to class with you next week.
