Discovering, Understanding, and Deploying Your Spiritual Gifts

Table of Contents

Lesson 1: Discovery (What's in Your Hand?)

Lesson 2: Purpose (Understanding Your Purpose)

Lesson 3: Placement (Finding Your Place in Ministry)

Lesson 4: Participation (Moving from Availability to Participation)

Welcome to NEXT Gifts!

For the next four weeks, we're going treasure hunting. And here's the crazy part—**the treasure we're looking for is already buried inside you.** My job? To help you dig it up, dust it off, and figure out how to use it.

This isn't just another Bible study where you take notes and forget what you learned by Tuesday. This is **practical, hands-on, life-changing discovery.** We're going to identify your spiritual gifts, understand your divine purpose, find your place in ministry, and get you off the bench and into the game.

Who This Is For

This course is for anyone who's ever thought:

- "I don't have anything special to offer"
- "I'm not sure what my gifts are"
- "I want to serve, but I don't know where I fit"
- "I feel like I'm supposed to be doing more, but I don't know what"
- "I've been sitting on the sidelines long enough, I'm ready to get in the game"

If any of that sounds like you, **you're in the right place.**

What You'll Discover

By the time we're done with these four lessons, you're going to:

- **KNOW** what spiritual gifts God has given you

- **UNDERSTAND** why you have them and what they're for
- **DISCOVER** where in ministry you fit like a glove
- **MOVE** from sitting on the sidelines to getting in the game

And here's the best part: **You're not going to do this alone.** We're going on this journey together ... asking questions, doing exercises, taking risks, and watching God show up.

What To Expect

Each week, we'll:

- Dive into Scripture to see what God says about spiritual gifts
- Do discovery exercises to help you identify your gifts
- Hear real stories of people who found their gifts and changed the game
- Get practical assignments to help you take action (not just take notes)
- Challenge you to step out in faith and try something new

This isn't passive learning. **This is active discovery.** You're going to have to participate, try things, take risks, and be honest with yourself. But if you'll do that, I promise you ... **your life is about to change.**

My Prayer for You

Here's what I'm praying as we start this journey:

"God, open our eyes to see what You've already placed inside us. Remove the blinders of insecurity, comparison, and fear. Show me who You created me to be and what You called me to do. Fill me with Your Spirit. Activate my gifts. Give me courage to step out. And use me to build Your kingdom in ways I never imagined possible.

In Jesus' name, amen."

Let's Get Started

You ready? Because God's about to show you something you've been missing. He's about to unlock potential you didn't know you had. He's about to take you from "I don't know what I have to offer" to "I can't believe God wants to use ME like this!"

Sound good? Let's go!
